Interior Designer Dana Bass revs up her creative power and lassos the energy of Big D.

Dana Bass Designs is anything but conventional. Known for wildly creative, fun, and vibrant homes infused with a sense of wonder, founder and principal designer, Dana Bass, creates evocative spaces designed to tell stories. "I love the creative process," Dana says, "It's filled with energy, research and imagination; it's where I thrive."

Dana's namesake design house has an impressive roster of North Texas residents. She and her visionary team are lauded for their ability to infuse color, history and meaning into the luxury homes they design.

"For us, the thrill of a project lies in its untapped potential," Dana notes, adding that her mantra says it all, DREAM IT. LOVE IT. LIVE IT.™

After all, her clients certainly do.
